The Multitudes And Their Need

- There are times when we all have periods of physical and material need. (Phillipians 4:19)

The Master And His Compassion

- Compassion is sympathy coupled with a desire to help. (1 Peter 5:7)

The Miracle And It's Lessons

- In the feeding of the 5,000 (mostly Jews), Jesus is the Bread of Life. In the feeding of the 4,000 (mostly Gentiles), Jesus is the Bread of the World.

Jesus always gives us more than what we expect.
